<p>○授業の到達目標及びテーマ</p> <p>The purpose of this course is to provide the students with basic knowledge of international relations theories and its applications to the reality. By exploring the arguments of theories and their applications, the students are expected to develop the capability of critical and logical thinking.</p>			
<p>○授業の概要</p> <p>This course introduces various international relations theories to the students. By attending the course, the students are expected to understand that the world is full of various perspectives and analytical frameworks. The lecturer explains the argument of each international relations theory, followed by intensive discussion by the students.</p> <p>[IMPORTANT] Please send an email to me (khirose@unii.ac.jp) a few days (at the latest a day) before the first class if you are planning to take this course. If I do not receive an email from you, I will assume that you will not take this course. If you did not participate in the first class but want to take this course during the changing registration period, please send me an email in advance.</p>
